What are ready America emergency response & disaster relief containers?

Ready America customizes and delivers Emergency Response & Disaster Relief Containers nationwide. They are custom retrofit Grade A containers that offer secure storage of critical supplies. For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks.

What is a disaster relief container?

Our disaster relief containers are engineered for quick setup, making them ideal for emergency situations where time is critical. Units can be pre-assembled or flat-packed, allowing for flexible transport options and minimal on-site assembly to provide immediate shelter.

What is a prefabex disaster relief container?

Prefabex disaster relief containers offer an innovative, high-quality solution designed specifically to meet the urgent demands of emergency situations. With decades of expertise in modular and containerized structures, Prefabex ensures that each unit provides optimal safety, comfort, and functionality for relief efforts worldwide.

What is a prefabex emergency response container?

Prefabex emergency response containers can be tailored to specific emergency needs, from accommodation to medical units, sanitation, and kitchen facilities. Their modular design allows them to be expanded or combined, accommodating larger groups or specialized functions in disaster zones.
