How much power does a Dakota lithium battery have?

Jump start a car or boat engine with over 1,000 cold cranking amps (CCA) of engine starting power, run a trolling motor, or power your devices and smaller appliances with 135 amp hours (1,728 watts) of deep cycle Dakota Lithium energy. All in one waterproof lithium battery so light that it floats.

How long do Dakota lithium batteries last?

Dakota Lithium lasts 4x longer than traditional batteries, providing lasting value for our customers, and reducing waste and the impact on our planet. Committed To Excellence: All Dakota Lithium Batteries are backed for 11 years. Built To Last: Dakota Lithium batteries last so long that the cost per use is a fraction of traditional batteries.

What is the warranty on a Dakota lithium battery?

Dakota Lithium batteries come with a 11 year warranty. Additionally, Dakota Lithium 100 watt solar panels have a 25 year output warranty. Recharge your batteries on the go with folding solar panels. Create off-grid electrical systems powered by the sun. Fish longer, play harder, and go further with a battery that never needs to be plugged in.

Why should I use a Dakota lithium Charger?

Giving you confidence with Cell Balancing, Low/High Voltage Cutoff, Short Circuit Protection and High Temperature Protection. To optimize your battery life we recommend using our Dakota Lithium charger. This gives you ease of mind knowing your battery and charger will work perfectly together.

Designed as a waterproof and submersible mobile power station and solar generator for use in extreme environments, the Dakota Lithium ...

A waterproof and submersible mobile power station & solar generator for use in extreme environments. Jump start a car or boat engine with over 1,000 cold cranking amps (CCA) of ...

The POWERBOX 10 has a water/shock resistant case that Includes a 12V Dakota Lithium LiFePO4 10Ah battery, USB and USB C ports, a 12V car plug, binder posts, and high ...

Portable waterproof power station with a 1,000 CCA DL+ 12V 60Ah lithium battery for starting car, boat & truck engines. One lithium battery box to power everything.
