Who makes electrical capacitors in El Salvador?

The manufacture of capacitors or chips is exclusive to the company Kyocera AVX. The company has been operating in El Salvador for more than 40 years and in 2023 was responsible for \$193.1 million exported in electrical capacitors. The factory has been located in the free zone of San Bartolo, Ilopango, since 1977.

What does a supercapacitor manufacturer do?

Manufactures capacitors with emphasis on supercapacitor technologies for electric applications. Manufacturing expertise ensures large production volumes to meet demand. Focus on R&D to enhance product efficiency and market adaptability. Contributes to the energy storage market with focus on supercapacitors and integrated solutions.

Who are the top ranked supercapacitor manufacturers?

Also, please take a look at the list of 19 supercapacitor manufacturers and their company rankings. Here are the top-ranked supercapacitor companies as of October, 2025: 1. SPEL TECHNOLOGIES PRIVATE LIMITED, 2. Taiwan Zhifengwei Technology Co., Ltd., 3. CDE. What Is a Supercapacitor? What Is a Supercapacitor?

What is the supercapacitors market?

The Supercapacitors Market is characterized by its fragmented nature, consisting of various specialized companies that emphasize innovation and niche applications. While global players are present, several local firms shape the landscape, indicating a diverse competitive environment where specialized manufacturers often cater to targeted needs.

This section provides an overview for supercapacitors as well as their applications and principles. Also, please take a look at the list of 19 supercapacitor manufacturers and their company ...

Get access to the business profiles of top 26 Supercapacitors companies, providing in-depth details on their company overview, key products and services, financials, recent developments ...

The Salvadoran Association of Industrialists (ASI) said Tuesday that four out of seven capacitors used worldwide are manufactured in El Salvador. The president of the ASI, ...

Kyocera AVX in El Salvador is the world's largest plant for manufacturing tantalum capacitors, as well as ceramic and niobium capacitors. The facility employs 4,500 people and produces ...

6Wresearch actively monitors the El Salvador Supercapacitor Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue analysis, ...

This report provides an in-depth analysis of the market for electrical capacitors in El Salvador. Within it, you will discover the latest data on market trends and opportunities by ...

El Salvador's capital and largest city is San Salvador. As of 2015, the country had a population of approximately 6.83 million, consisting largely of Mestizos of European and Indigenous ...

Explore the top 7 supercapacitor manufacturers that are leading the way in energy storage innovation. Discover industry leaders, cutting-edge technologies, and their global impact.

El Salvador Monomer Supercapacitor Manufacturer Powering As Central America's premier monomer supercapacitor specialist, we combine German engineering precision with tropical ...
