What is a circuit breaker box?

It's this box that you turn to when you have a sudden power outage in one part of your home. There are a variety of circuit breaker boxes that you can find for different homes and electrical installations. These boxes contain a main breaker that can shut off power for all the circuits in an installation.

Where can I buy a breaker panel?

Shop electrical panels at Ace, as well as a range of accessories for fitting and maintaining your breaker boxes, including ground bar kits, filler plates, power outlet and inlet boxes, and more. If you need any advice on choosing a breaker panel or other electrical parts like fuses or meter bases, our knowledgeable staff is here to help.

Is Breakers a good company?

Breakers is a good company. I'm an electrical contractor and I will keep using this company in the future. Great prices, great service, and very satisfied with the ordering process and customer service.
