Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

Where can I buy a battery in Ireland?

Battery World was established in 1998. It is Ireland's largest battery retail specialist. They offer a wide range of batteries for almost every use. Whether you need a battery for a motorcycle, scooter, ATV, or car, or for marine use, garden tools, e-bikes, or even vacuum cleaners, you can find the right product here.

Who is Alexander battery technologies?

Designing, developing and manufacturing customised lithium-ion battery packs using a full range of battery chemistries, Alexander Battery Technologies delivers incredibly reliable custom battery packs for businesses across the industries we serve.

Why should you choose CMB for a custom lithium-ion battery pack?

Whether for small or large orders, we offer competitive pricing and on-time delivery. As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging.

Our custom battery packs are applicable to UPS battery, AGV battery, medical battery, off-grid solar battery, golf carts battery, emergency light battery, solar light battery, starter battery, ...

We design and manufacture custom Lithium (LiFePO₄) battery packs from 3.2V to 900V for electric vehicles, UPS, solar storage, and more. Contact us for a quote.

Our team of experienced battery engineers will work closely with you to design and manufacture batteries that meet your specific voltage, capacity, and size requirements.

Our team of experienced battery engineers will work closely with you to design and manufacture batteries that meet your specific voltage, ...
