The Intech Energy Container -- or ECON -- is a modular, pre-configured off-grid power solution. It combines solar PV, battery storage, inverters, and energy management in a rugged container.

Solar shipping container powers irrigation and tools in off-grid farms. Ideal for remote agriculture needing clean, mobile energy.

Hello everyone! In a meeting I have heard people say "I need to drop off the meeting" and "I need to drop off to another meeting", and I wonder if the use of drop off is ...

Hey there, first off means "first of all" right? For example, "first off, my name's James not Jack..." but my question starts here, what would be the continuation for multiple ...

These rugged, self-contained systems integrate large solar arrays, advanced battery storage, and high-capacity fuel cells -- with optional diesel redundancy when regulatory or client ...

In short, you can indeed run power to a container - either by extending a line from the grid or by turning the container itself into a mini power station using solar panels.

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not). This is about ...

This guide provides in installing a 120KW solar system. It covers equipment costs, installation fees, and maintenance expenses that can affect the price.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Hello everyone, I learned that the phrasal verb "to cut someone off" can be used meaning "to stop having a close or friendly relationship with someone". My question is: Was ...
